E. Reading

Chapter 1

Read the text and answer the question!

(Bacalah teks dan jawablah pertanyaan-pertanyaan!)

I am standing in queue now. It is in a big post office on Kebon Rojo street Surabaya. I want to cash "Wesel Post". It is from my sister in Tulungagung. It is in counter 2. If you want to send letter you can go to counter 3. Counter 1 is for postage like stamps, envelopes and others.

In the Post Office, there are also additional counters where we can pay our electric and telephone bills. The letter is used less than it was in the post. Since the existence of mobile phone. By mobile phone we can send and get short message immediately. It is more efficient.

1. Where are you now?
2. Where is it located?
3. What are you there for?
4. What can you see in counter 3?
5. Is the post office getting worse to get service?
6. Where can we pay our electric and telephone bills?
7. Why is the letter by post less important now?
8. How soon can we send and get SMS (short message service)?
9. Is there a post office in your town?
10. Do you have a hand phone?

Chapter 2

Read the text and answer the question!

(Bacalah teks dan jawablah pertanyaan-pertanyaan!)

Stamp Collecting

Irfan is an SLTP student. He is a diligent boy. He always uses his time for good activities. He has interesting hobby. It is philately or stamp collecting.

He began to collect stamps two years ago. At first he collected the stamps from the letters he received. He only choose a stamp for each kind. So he had to sort them.

Now he has a lot of stamps. He keeps them in a stamp album. He wants to add his collection by buying stamps from the post office. He also often gets stamps from his father because his father agrees about Irfan's hobby.

Irfan's album is almost full of stamps. He will buy a stamp album again next month. He want to be a good philately.
