### DAILY ACTIVITY

#### A. Explanation

Digunakan untuk membicarakan segala sesuatu yang umum, sesuatu yang terjadi terus menerus, berulang-berulang, ataupun kebenaran hidup.

When we talk about daily activity, we use the **SIMPLE PRESENT TENSE**. This is the explanation about simple present tense:

Using Verb (Verbal sentence)	Without verb (Nominal sentence)
(+) S + V <sub>1</sub> (s/es) + C (-) S + do/does + not + V <sub>1</sub> + C (?) Do/does + S + V <sub>1</sub> + C?	(+) S + be + C (-) S + be + not + C (?) Be + S + C?
Do (V <sub>1</sub> ) → They → We → I → You Plural nouns	*be = to be (am, is, are)
Does (V <sub>s/es</sub> ) → She → He → It → Singular nouns	

#### Time Signal:
